

A thrilling new addition to the Star Wars saga,
based on the best-selling video game from
LucasArts...

Dark Forces

Kyle Katarn is a loyal soldier of the Empire, but when his father is killed by a group of Dark Jedi searching for the legendary Valley of the Jedi, he finds himself thrown into the Rebellion against the world he'd known. As he discovers more about his father's hidden past, Katarn comes to realize that he's the heir to a power he could have never imagined. In the end, he must face his father's killers and fulfill his destiny to become a Jedi Knight.
